

Can't or don't want to do the Veteran's Honor Tournament, but you do want to help support the Veterans. No problem you can just donate whatever amount you want. But, another idea would be just purchase one or more Joe Mantana autographed jersey raffle tickets. That way you would be donating to a good cause and would have a chance to win the jersey.

The background of the poster is a stylized illustration of a bowling alley with bowling balls on the lanes and bowling pins at the end. The text is overlaid on this background.
